

Do you enjoy working outside? Do you like seeing instant results of your hard work? Do you love golf or are interested in the Golf Industry as a career? Then we are looking for you to join our team!

We are currently seeking seasonal Grounds Crew members from mid-March until late November, as well as from mid-April until the end of August. The position includes a steady, full time schedule with bi-weekly pay. Should be able to perform physical labor with a positive attitude and be able to follow and understand specific directions. Must be punctual, have your own transportation and possess a valid driver's license. Previous golf course experience is a plus.

**Duties and Responsibilities include, but not limited to the following:**

- Operate heavy equipment, such as utility tractors, triplex mowers, fairway mowers, rough mowers, trenchers, spreaders, and other utility vehicles as directed.
- Operate light equipment, such as sod cutters, walking rotary mowers, line trimmers, edgers, blowers, rollers, walking aerifiers, walking reel mowers as directed.
- Grade and prepare soil for seed, sod, plants, or trees; Lay sod; Plant, cultivate, and trim vegetative materials.
- Aerate and top-dress greens, tees, fairways, and other areas in need of repair.
- Assist in the installation and servicing of irrigation and drainage systems. Hand water, if necessary.
- Perform general maintenance and repair on all grounds and any course facility or building.
- Mow, verticut, aerify, and top-dress greens, tees, fairways, and roughs.
- Perform golf course set up as directed.
- Assist in construction projects.
- Other duties may be assigned.

**Employment Standards**

- Possess a valid driver's license.
- Must be at least 18 years of age.
- Able to lift 50 pounds; pulling and pushing up to or over 25 pounds; moving and/or lifting items with awkward weight distribution.
- Able to walk, stand, and bend for long periods of time.
- Dependable, motivated and accountable for results.
- Ingenuity and problem-solving skills for new and ongoing course projects are desirable.
- Flexible -- enjoys doing work that requires frequent change in duties.
- Able to adapt to and work in variable weather conditions.
